2010-2011 Revised Tuition Information

Tuition Fees: Tuition is based on the number of hours of instruction a student receives per week September through June. Students wishing to take multiple classes can take advantage of the discounts already built into the pricing structure. **Tuition fees are on a per student basis and cannot be combined.** Families with multiple children registered will receive a 10% tuition discount for each subsequent child. Discounts will be applied to the tuition amount of siblings with the lowest rate of class hours. A student's status becomes "Unlimited" when he/she reaches 7 hours of instruction per week. **The Unlimited Status will be applied on a per student basis only, and cannot be shared with multiple family members.** *Tuition assistance is available on an as-needed basis* (*Note - first price increase since 2007)

Payment Information: Parents can choose to pay their tuition for the year in full by October 15th, in monthly or quarterly installments. Monthly payments are due the first week of each month and quarterly payments are due the first week in September, November, January, and March. The first installment is due at the time of registration. A \$25.00 costume deposit per class a student is registered for will be due the first week of classes. Tuition payments must be received by the 10th of the month to avoid a \$15.00 late fee. Students will not be allowed to participate in class if their account is 30 days past due. A \$30.00 charge will be assessed for all returned checks. No refunds or cash credits will be given for missed, dropped, or cancelled classes due to inclement weather.
