

Brookfield School of Performing Arts
2011-2012 Tuition Information (revised)

Tuition Fees: Tuition fees are based on the number of hours of instruction a student receives per week for the season (September-June). Students wishing to take multiple classes can take advantage of the discounts already built into the pricing structure. Tuition fees are on a per student basis and cannot be combined with siblings. Families with multiple students registered will receive a 10% tuition discount for each subsequent child. Discounts will be applied to the tuition amount of siblings with the lowest rate of class hours. A student's status becomes "Unlimited" when he/she reaches 7 hours of instruction per week. The Unlimited Status will be applied on a per student basis and cannot be shared with multiple family members. A \$25.00 costume deposit per class a student is registered for will be due the first week of classes.

Tuition assistance available by request on an as-needed basis

Payment Information (revised): Parents can choose to pay their tuition for the year in full, or in 4 or 8 equal installments. Tuition payments must be received no later than the 10th of the month in order to avoid a \$15.00 late fee. Students whose account is 30 days past due will not be permitted to participate in class or perform in our annual June recital. A \$30.00 charge will be assessed for all returned checks for insufficient funds. There will be no refunds or cash credits given for missed, dropped, or cancelled classes due to inclement weather.
